Sir,

The Government were pleased to sanction a subsidy of Rs 1037/- in their order No. 2050 Ms dated 7-10-30 towards th purchase of equipment (Books and furniture) for the Secondary School, Hospet and Rs 100/- in their order No. 157 dated 29th January 1931 towards the Public Library maintained by the Council for 1930-31.

The Council purchased equipment to the cost of Rs 843-2-0 and public library books to the cost of Rs 183-0-0 and got half the amounts as provincial shares adjusted to its accounts before 31-3-31. But owing to ~~financial~~ financial stringency the Council was unable to ~~purchase~~ pay the cost of

second consignment of equipment costing Rs 514/- and public library books purchased for Rs 11-13-0 before the year, for which the subsidy related, closed The Council felt a bit relief in its finance during the beginning of the current year and paid off the bills and requested the Treasury Deputy Collector for adjustment of half the costs under both the heads. He has returned the bills saying that the grants have lapsed and that special sanction is required from the Government for their adjustment.

I, therefore request the Government, in consideration of these ~~difficult~~ days of financial difficulties, be graciously pleased to order, as a special case, the payment of the Provincial shares he cost of equipment and public library books as detailed

Sir,

In resubmitting herewith letter from the Chairman, Municipal Council,Hospet,Ref.S.C.No.118/30 dated 26-7-31 referred to me for remarks with Government endorsement No. 1980-B-1 dated 13-8-31, I have the honour to state that in view of the orders contained in G.O.No.610 Finance,dated 19-9-30 and in view of the absence of specific provision of funds in the Budget Estimate 1931-32, the reallotment of grants asked for by the Chairman may be refused. The Council had a warning regarding lapses of undrawn claims as early as September 1930 in the G.O. referred to above and the lapses

in the present (PTO)

in the present instance appear to be due to their indifference to draw the sanctioned grants within the financial year 1930-31. There is thus no case for reallotment of the lapsed grants.

I have the honour to be,

Sir,

Your most obedient servant,

MADRAS.

Sir,

With reference to the above orders of the Government I have to state that as already submitted in my previous letter the Council's finance did not permit the purchase of equipment and the Library books to the extent to which it was entitled within the specified period to claim the full subsidies sanctioned by t-he Government for these two items. During the current year, as funds permitted, the purchases were made and the bills paid off with a hope to get the lapsed subsidies renewed and sanctioned by Government, but I feel disappointed to receive the orders communicated in the above reference of the Government and wish to approach the Government again wi-th a request to reconsider these orders in view of the

fact that the council has spent this amount ~~fixx~~ disinterestely for public purposes at a time when there was high money crisis.

In consideration of the limited income of the council and the increasing expenditure ~~it incurs~~ it incurs, the Government would be pleased to reconsider their above orders and to sanction the subsidies as detailed below as early as possible as a special case.

I have the honour to be
Sir,
Your most obedient servant.
